Dear Fripp Friends, here is the latest from the FICC!

Community Centre Closure

On Friday, March 20, the FICC Board made and announced the decision to close the Community Centre until further notice. We had already announced the suspension of Vespers, and the clubs and other groups meeting at the Centre had already wisely suspended activities in keeping with the governmental and medical recommendations for “social distancing.” This means that all events -- including Community Dinners, Vespers, Library, and Easter service (on April 12th) -- are canceled for the foreseeable future.

No one can say with certainty when we can all resume “normal” activities, but the Board will monitor recommendations and act accordingly.

In the meantime, please stay home, stay safe, and look out for your neighbors. We’ve seen so many examples of the tremendous **Fripp Spirit** as Frippers check on each other, offer to help, and provide general encouragement. Above all, we need to work “together...apart” to keep our Island and its residents safe and healthy. Thanks for everything you’re doing!

Recently, the Board decided to add a **Community Dinner in May**. Let’s hope that we can do just that and can celebrate with the fellowship that we enjoy immensely.

FICC Annual Fund

At our most recent meeting, the Board decided to suspend the Annual Fund for the time being. We stand at 54% of our total goal of \$65,000. We know that this pandemic impacts everyone’s financial and social situations, and we want to be observant and respectful of that. For those of you who have already donated or pledged, thank you! Once the Centre reopens, and activities are resumed, we’ll restart the Campaign.

Sandy’s Library

Though currently closed, Sandy’s Library is an excellent resource for Fripp Island residents and visitors. Shortly before closing the Library, long-time library coordinators Debbie St. John and Mary Schnobrich let us know that they were ready to “retire.” We owe them a huge thank you for all their work over the years and, also, for finding worthy replacements! We’re fortunate that Linda Ball and Wendy Moore will take over the coordination of the Library once it reopens. Thank you Debbie, Mary, Linda, and Wendy for providing this great service to the Island.

We’ll get through this.
