July 2020

Dear Fripp Friends,

As we continue to respond to the Coronavirus pandemic, the FICC Board of Directors is also searching for new ways to provide service safely and responsibly to the Fripp Island Community. We have reinstated Vespers with modifications to follow national, state and local recommendations. The schedule of visiting pastors for July is on the back of this newsletter.

First “Take Away” Dinner. Since our traditional community dinners are not a possibility, the FICC Board considered a new idea – a “take out” dinner prepared by Chef Harry and Gloria Robinson. The first dinner was offered on June 23rd and was a great success. Eighty Islanders were safely and conveniently served a dinner of panko crusted chicken and delicious sides and Gloria’s Texas Sheet Cake. Thanks to Gloria, Don Aldrich and, of course, Chef Harry Merrill. Scheduled times for pick up ensured that people were served hot, fresh food without waiting.

We are planning additional dinners and will send notifications via the POA mailing list and NextDoor.

Golf Cart Bingo

The FICC and FIPOA joined to offer Golf Cart Bingo at the Fripp Island Community Center parking lot on Thursday, June 25th. It was free to all comers with great prizes provided by the POA. Many thanks to Sharon Lawton, Bob Jordan (pictured at left), and Carlene Rogan who came up with the idea.

More than 50 Fripp Island residents and visitors enjoyed the outing. POA volunteers and staffers made sure that everyone had a card, maintained social distance and that all supplies were cleaned before and after the event.

The Future. The FICC Board continues to look for innovative ways to fulfill our mission of serving the needs of Fripp Islanders during these unprecedented times. Thanks for your support. Because of continued COVID-19 infections, we are staying in Phase 1 of our Opening Plan until further notice. COMMUNITY CENTRE CHATTER

The FICC Board continues to re-evaluate to COVID-19 Response Plan developed in May. With the recent increase in both cases and COVID related deaths in Beaufort County, we are remaining in Phase I of the plan (no large group meetings, minimizing contact and use of shared surfaces.) At our Board meeting on July 10, we will review the plan and the latest statistics on cases locally and determine if we can relax any of the current restrictions on use of the Centre.

Thanks, as always, for your continued support.
