Newsletter and Calendar of Events

August 2020

Powered by  **HARGRAY**

Dear Fripp Friends,

We were hoping that the August FICC newsletter would bring some good news of the decline of COVID and the re-opening of the Centre. Unfortunately, South Carolina is declared a “hot spot” due to increasing numbers of new COVID cases.

COVID Response Plan Status

In May, the FICC developed our COVID response plan and shared it with the groups meeting regularly at the Centre, as well as the general membership. The plan outlines three phases of opening and, since May, we have been in Phase I of the plan. In short, this restricts the use of the Centre to small (<20) groups that can effectively practice social distancing, limit sharing surfaces, and agree to clean after use. The kitchen and restrooms are closed.

Current conditions require us to continue Phase I until the end of the calendar year 2020. This means that no large groups will be meeting in the Centre for the remainder of the year. This is disappointing as the Centre exists to support the Fripp Island Community. While we initiated a few innovative actions (described below), we are still looking for ways to help you during this time. If you have ideas, please contact any of the Board members.

“Take Away” Dinners

We had two highly successful “take away” dinners thanks to Chef Harold, Gloria Robinson, and a host of volunteers. Our July 28th dinner had to be postponed, and we are hoping to reschedule soon. Everyone who made reservations was given the option to have their checks applied to the rescheduled date. As soon as we can confirm the “make up” date, we will announce it via the POA mailing list and NextDoor. We are also planning an additional “take away” dinner on August 18th. Don Aldrich will begin taking reservations for that dinner on Monday, August 10th. Remember to indicate the time you would like to pick up in the 5 pm to 7 pm timeframe. Reservations will be \$18 per meal. This is an increase because fewer funds are coming into the Centre. Thanks for your understanding!
CORRECTION: August 18th *is* the makeup date for the missed dinner. If you already paid for the missed dinner, you are good. Check with Don Aldrich at 843-812-4381 to verify. The next scheduled dinner is September 1.

Support the Fripp Island Community Centre

In April, we suspended our annual campaign due to the pandemic, and we are approaching the time when we would be setting our goal for the upcoming fund drive. With no community dinners or other activities in the immediate future, our funding sources are currently very slim. Please consider financial support for the Community Centre. To those who have already given, you have our most sincere thanks. Stay healthy and safe out there
