Dear Fripp Friends,

Addition Status

The successful completion of the DOLO fund means that the Board can use available reserves for the addition and improvement of the Centre rather than defray an expected operational shortfall. Betty Pearson, Chair of the Addition Committee, has been working with Beaufort County officials to see how modified elevation requirements affect the proposed kitchen addition. We must provide information on how both the square footage and cost of the proposed addition compare to the value and size of the existing building. To accomplish this, the Board is commissioning an updated appraisal of the FICC structure and getting an estimate of the addition's cost. We expect to receive both by the middle of this month.

The Board will provide an update in the next newsletter and share a general update at the first Community Dinner on October 20.

FICC Open House and Reception

To celebrate the FICC's return to pre-COVID activities, we are hosting an Open House and Reception on Saturday, September 18, from 2 to 6 p.m. For the first two hours, groups meeting at the Centre and those who meet elsewhere on the Island are being encouraged to have a display space and information about their groups. This is an excellent opportunity to showcase the different organizations and interests represented on the Island. From 4 to 6 p.m., we'll host a reception with wine, good food, and cheese. We hope everyone will join us!

For more information about group representation or any other aspect of the Open House, please get in touch with Rebecca Climer at 615-594-1552 or Rebecca.climer@gmail.com.

No Special Meals in August

There will be no special meals or takeaway meals during August. ROMEO lunches will resume on the 4th Tuesday of September, and we will start Community Dinners in October.

See you at the Community Centre!
