Dear Fripp Friends,

COVID Response

When the Board first drafted the COVID response plan, we stated that we would continue to monitor new cases in Beaufort County as well as recommendations from local, state, and federal agencies. It's no secret that there has been a recent surge in COVID cases across the nation, and South Carolina has the highest infection rate per capita in the country. While we were incredibly hopeful of bringing back total, unrestricted activity to the Centre this Fall, we must balance that desire with the need to protect our membership. For this reason, we have re-instituted the mask requirement at the Centre effective immediately. At present, this is the only requirement we have for attendance at activities at the Centre. We have been in touch with representatives of many organizations meeting at the Centre and asked that larger events planned in September be held out of doors, if possible. Some groups have opted to postpone events until October and have taken additional precautions.

We wish to thank the groups and individuals meeting at the Centre for their support and their cooperation. The Board will meet on September 10 and discuss any further modifications to the COVID plan.

FICC Open House and Reception

We are postponing the FICC Open House and Reception. This event is planned to celebrate the FICC's return to pre-COVID activities. This is an excellent opportunity to showcase the different organizations and interests represented on the Island. The event is now scheduled for Saturday, October 9, from 3 to 5 p.m. In addition to an expo featuring different groups on the Island, we are hosting a wine and cheese reception. We hope everyone will join us!

For more information about group representation or any other aspect of the Open House, don't hesitate to contact Rebecca Climer at 615.594.1552 or Rebecca.climer@gmail.com.

See you at the Community Centre!
